Last Name \_\_\_\_\_ First Name \_\_\_\_\_ XXX-XX-□□□□  
 last 4 digits of student's SSN

On your 2023-24 FAFSA, you or a parent have reported an amount in “**taxable student grant and scholarship aid as reported to the IRS in your Adjusted Gross Income on your Federal tax return**”. You should only report an amount in this question **IF** you were required to list grant or scholarship aid on a federal tax return as INCOME. **Please look at your 2021 federal tax return to see if you reported grant aid as income, and paid taxes on that amount.**

**Please check the box that applies:**

- The student or the parent did not report any grant or scholarship aid on a tax return and I/we mistakenly reported this information on the FAFSA. (The Financial Assistance Office will correct the information on your FAFSA for you).
- Student reported \$ \_\_\_\_\_ in taxable grant or scholarship aid on a federal tax return. **(Please supply a copy of the 2021 federal tax return to verify this).**
- Parent reported \$ \_\_\_\_\_ in taxable grant or scholarship aid on a federal tax return. **(Please supply a copy of the 2021 federal tax return to verify this.)**
