

FORM INSTRUCTIONS:

The U.S. government requires educational institutions to verify that F-1 students have sufficient funding to cover their educational and living expenses for at least the first year of study. This financial verification is required for the issuance of the I-20 Certificate of Eligibility and later for the F-1 visa application, if applicable. Only students intending to study on an F-1 visa need to complete the CFR.

COSTS: The amount of funding required to be verified depends on the academic program, as tuition and fees vary by program. Living and ‘other’ expenses (room, board, books, supplies, health insurance, etc.) are the same regardless of program.

- For DEGREE programs, the CFR tuition estimate is based on the minimum full-time enrollment requirement for graduate programs of 6 credits/semester. Additional credits will add additional costs to plan for – please consult with your program for the most accurate estimate of the number of credits you should plan on taking per semester.
- For the DIETETIC INTERNSHIP and CERTIFICATE programs, the CFR tuition estimate is based on the total credits needed to complete the program in one academic year.

FUNDING AMOUNT:

This amount is an *estimate* of one academic year (9 months; 2 semesters) of expenses for your academic program and is subject to change. If you plan to remain in Raleigh over the summer, you should budget additional funding to cover your expenses for that time period.

FUNDING DOCUMENTS: Documentation (for example, an official bank statement or scholarship award letter) must be attached to this CFR verifying the availability of funds to cover the funding amount listed above. Funding must be:

- **Current.** Date of issuance of the documentation must be within the past 6 months.
- **Liquid.** Funding must be immediately available for withdrawal. *Statements of salary, credit cards, insurance policies, and property are therefore not sufficient.*
- **Detailed.** Documentation must include the name of the account holder, the specific amount of funds available, the currency, and include an original signature or be on official company letterhead. Documentation must also be in or include English translation for these details.

Please complete this form, attach the accompanying (1) funding documents and (2) a copy of your passport biographical page, and upload to your Applicant Status Portal: <https://recruit.meredith.edu/apply/status>
