

# THE MAGIC OF PORTUGAL

JUNE 4-18, 2024

## YOU ARE INVITED

Join Angel Adventures, the Meredith Alumnae Travel Program, for a customized tour of Portugal, which will include the history, culture, and beauty of Lisbon and beyond.

On this thirteen-day tour, you will explore amazing architecture, picturesque natural views, and wonderful cuisine. Along with planned excursions and tours, you will have time for additional sightseeing and shopping on your own.

Our tour of Portugal will include new experiences for everyone, from the "must-do" downhill wicker basket ride in Madeira to meals of traditional dishes accompanied by Fado music, a unique style of Portuguese folk music with Moorish and African influences that originated in Lisbon. Other highlights include tours of fishing villages, vineyards, botanical gardens, and UNESCO World Heritage sites.
