Through intentional involvement and personal accountability, residents foster a positive and supportive living environment, actively shaping their residential experience.

Adaptability

Equip residents with the skills and mindset to effectively navigate change, encouraging resilience in the face of challenges, and providing opportunities for them to embrace new experiences and perspectives.

Personal Growth

Empower residents to discover and develop their unique strengths, passions, and independence, ultimately enabling them to thrive academically, socially, and personally beyond the residential community.

Philosophy

The philosophy of the residence life staff is one that recognizes and affirms the unique worth of each student and her potential for growth. To enhance and supplement the classroom experience, the residence life staff promotes activities, programming, and community building that contribute to the holistic development of the student. The residential setting, as a living & learning dimension of campus life, is perhaps the single most important synthesis of classroom learning and college experience.

A commitment to the living & learning environment provides the motivation for community building that serves students and provides opportunities for intellectual, physical, social, emotional, and professional growth. The Residents Housing Association provides the structure for the governance of residence halls and apartments and is instrumental in planning and monitoring campus communications as well as special housing and campus programming. Residence representatives, Resident Assistants (RAs), and Residence Directors (RDs) assess and respond to the particular interests and needs of their students. and provide interesting, challenging, informative, and entertaining programs and events. The residence life staff provides a program of student services designed to enrich the quality of life of Meredith students.

We're Here to Help

Resident students at Meredith enjoy many opportunities while living on campus. Enjoyment of these opportunities depends upon personal involvement as well as personal commitment to the welfare and needs of residents living in a community. Each resident must take personal responsibility to abide by the rules and regulations, so the group as a whole can function effectively and benefit from the creative interaction of campus living.

The residence life staff provides a program of student services designed to enrich the quality of life for Meredith students. The residence life staff includes the director of residence life, residence life administrative assistant, residence directors, apartment manager, resident assistants, community assistants and the Residents Housing Association.

Residence Life Staff

Director of Residence Life

The Director of Residence Life at Meredith College provides comprehensive oversight of campus housing, ensuring a safe, supportive, and engaging living environment for all students. This role includes supervising residence hall directors, coordinating residential programming, and addressing student concerns and conflicts. The Director collaborates with various campus departments to enhance the residential experience, implements policies, and manages on-call rotations to provide round-the-clock support. Additionally, the Director assesses and responds to the needs of the student body, promoting a vibrant community in line with the college's mission and values.

Residence Directors

Residence directors (RDs) are full-time staff members who live in the residence halls on campus. RDs are trained in the areas of student development, crisis intervention and coaching skills. RDs are available to assist students with social, emotional, and academic concerns. They perform a variety of duties on campus, work in the Office of Residence Life, and are available to assist students with questions or concerns. Residence directors supervise the resident assistants of the building and serve as a resource to their residents and students on campus. Emergencies should be reported immediately to the residence director on duty, who maintains contact with security. Residence Directors serve on the College's Incident Management Team to respond to resident emergencies.

Apartment Manager

The Apartment Manager (AM) is a full-time staff member who lives on campus at The Oaks. The AM provides tenants with professional guidance in a living-learning environment, is available to assist tenants with apartment issues, community needs and questions, and supervises the Community Assistant Staff.

If you have a major emergency and need to contact a professional staff member to respond, call the Residence Director (RD) on Duty at **919-612-6350** (if there is no answer, leave a voicemail

message with your name, message and contact number). You may also contact your RA on Duty in addition to leaving a message on the RD on Duty phone.

Resident Assistants & Community Assistants

Resident assistants (RAs) are student staff who live on each floor of the residence halls. Community Assistants aren't floor-specific and work to assist the overall community at The Oaks. RAs are supervised by the residence director of the building. CAs are supervised by the Apartment Manager.

Primary responsibilities include:

- To be accessible for assistance and guidance.
- To uphold and enforce the Honor Code.
- To encourage student participation in campus activities. To facilitate campus communication.

On-Duty Residence Life Staff

Residence life team members are here to assist you. Staff members serve on a rotating schedule to be on duty to assist resident students who need assistance. Residents are encouraged to communicate concerns, questions or issues to the Resident Assistants (RA) on their floors and then contact the Residence Director (RD) in their building if additional assistance is needed. If a student has an issue and their own RA or RD is not available, the RA on Duty or RD on Duty may be contacted, depending upon the situation. Residence Life staff will provide additional information about when to call on-duty staff during floor and hall meetings, on building and floor signs, and through communications sent to resident students.

If there is a medical emergency and emergency medical response is needed, call 911 and then call Campus Police at 919-760-8888 to inform Campus Police so they can direct the emergency vehicle to your location. In medical emergencies, also contact the CA on Duty at (919) 532-4815 after calling 911 and Campus Police.

Resident Assistant (RA) on Duty

For situations that are **not** major emergencies or issues and when the RA on floor is not available or not on duty, contact the **RA on Duty** for your building (see chart below). Examples of when to contact the RA on Duty include routine floor or room questions, roommate or suite conflicts, minor medical issues, minor facility requests, residence life policy questions, how to use campus resources, how to get involved in floor and residence life activities, assistance with

transition to campus and living on campus, etc. Depending upon the situation, the RA on Duty will contact the RD on Duty for assistance.

Getting Involved in Your Resident Hall

Hall Meetings

Freshman hall meetings are held during the week of freshman orientation and throughout the year. upperclass hall meetings are held during each semester as necessary. Hall meetings are used as times to discuss community issues, upcoming programs, and other campus information. Attendance is required at all hall meetings. Residents who are not in attendance for a hall meeting will be required to meet individually with their RD.

The staff of each residence hall sponsors a variety of social, cultural, educational, recreational, and community service programs and activities. At the beginning of the year, your RA may ask for suggestions about the types of programs and activities that interest you.

Getting involved in the programs and activities that occur on your floor and in your building will help you to learn about yourself, your community, and the world around you.

Residents Housing Association

Residential students are strongly encouraged to participate in the Residents Housing Association (RHA). RHA is a resident-led organization that cultivates community engagement within campus residential spaces by hosting programs throughout the year and advocating for the needs of campus residents.

Personalizing Your Space

Each resident is provided a standard size twin bed, dresser, desk, chair and closet. Some students coordinate bedding and discuss color schemes with their roommates before even setting foot into their room of bare walls and stripped beds. Others let the room evolve. All students find a way to make their room a home away from home for themselves. Decorating a residence hall room can be one of the most creative “budget” efforts a student ever undertakes. The key to residence hall decorating is learning to incorporate existing furniture with flexible items you add like rugs or free-standing shelves. Posters and personal items can warm up your room. Just remember to keep it safe (no candles or possessions that are fire hazards—see Fire Emergency Procedures for complete fire hazard information) and keep it temporary (you’ll have to leave the room as you found it). Have fun!

All furniture provided in each room is required to stay in the room. The college does not provide furniture storage. Furniture cannot be removed from a room. Residents will be fined for missing furniture.

Roommates

Students will say that some of the biggest unfounded fears about college relate to having a roommate. It is true that it is rare for roommates to agree on everything, however, when roommates take the time to learn about each other and to talk about each other’s likes and dislikes, they quickly pave the way for positive living experiences. It helps to begin thinking about how you can be a good roommate to someone else. Here are some tips about being a good roommate:

- Communicate – have open lines of communication
- Be open and friendly – respect other residents on in your building
- Set boundaries – determine how you will share items
- Be understanding – everyone can have a bad day.
- Respect privacy – allow opportunities for personal care
- Ask before you borrow – ask for permission before using others’ items
- Resolve conflicts – communicate early; don’t let things linger

Remember: Give your roommate the courtesy of **speaking directly about any problem** before your roommate hears it from someone else.

Roommate Agreement

Each pair of freshman roommates will complete a roommate agreement during their first few weeks together as roommates. This Roommate Agreement should be helpful to students as they negotiate the guidelines they want to follow in their roommate relationships. The Roommate Agreement may also be used for suitemates to discuss negotiating shared space in the suite. The Roommate Agreement document is available on the Residence Life MyMeredith site.

Roommate Bill of Rights and Responsibilities

As a Meredith College residence hall community member, following are the rights you can expect and have a responsibility to maintain.

- The right to read and study free from undue interference in one's room (unreasonable noise and other distractions inhibit the exercise of this right).
- The right to sleep without undue disturbance from noise, guests of a roommate, etc.
- The right to expect that a roommate will respect one's personal belongings.
- The right to a clean and safe environment in which to live.
- The right to free access to one's room and bathroom without pressure from a roommate.
- The right to responsible personal privacy.
- The right to address grievances. Residence hall staff (RAs and RDs) are available for assisting in settling conflicts.
- The right to be free from fear of physical and/or emotional intimidation.

How to Make It Work

Once roommates have talked about each other's likes and dislikes, they will read through the Roommate Agreement and complete the form. Remember, you should directly talk with your roommate and suitemates if something is bothering you. The sooner the concern is talked about, the sooner it can be resolved. Resident Assistants and Residence Directors are very helpful resources to students as they work through their differences. Once your roommate relationship has developed past the adjustment period, you'll find that getting to know your roommate and suitemates is one of the most rewarding experiences of your college years.

Room Changes due to Conflict

Room changes in our residence hall due to roommate conflicts are only considered after a thorough roommate/suitemate mediation has taken place. This mediation is a crucial step to address and resolve any issues, ensuring that all parties have the opportunity to express their concerns and work towards a solution. If, after mediation, the Resident Director determines that a room change is in the best interest of the community, only then will a reassignment be explored. This process ensures that room changes are a last resort, prioritized for the overall harmony and well-being of our residents.

Residence Hall Procedures

Housing Contract

A student who lives on campus signs a contract for student housing. The contract is binding for one academic year, consisting of fall and spring semesters of the same academic year.

Students are responsible for meeting all terms of the contract. Any student who does not fulfill the contract is subject to a \$500 fee for breaking the contract.

Check-in Procedures

Each resident student must secure a room key and complete a Room Condition Report. If room changes occur during the academic year, all keys must be returned and exchanged for keys to the new room within 48 hours of receiving their new key. If a resident does not return their old key within 48 hours they will be charged for a lock change.

Check-Out Procedure

1. Review the Express Check-Out process as outlined by the residence director.
2. Remove all belongings from the room.
3. Put all trash and recyclables in appropriate containers.
4. Clean and sweep the room and bathroom and clear walls .
5. Be sure all college furniture is in the room and arranged as it was upon arrival. Please ensure that the bed is placed on the sixth rung.
6. Once the room is clean and empty of belongings, place the room key in an Express Checkout envelope and drop it in the lock box next to the Residence Director's office.
7. The last occupant to check-out locks the bathroom connecting door, then locks the door to their room before turning in the Room Condition Report and key.
8. Students vacating the residence halls must do so within 24 hours after terminating their housing contract (or within 24 hours of their last exam if checking out at the end of the semester). Failure to check out properly will result in a \$50 improper check out fee and \$60 lock and key replacement fee. An additional \$50 per day fee will be added for each day the room is occupied past the communicated checkout date.
9. The room must be in the same condition it was upon arrival. Fines can be issued to residents who do not leave their room in an acceptable condition.
10. A student who withdraws from the college must move out within 48 hours.

Withdrawing or Taking a Leave of Absence from the College

A resident who is withdrawing from the College should make an appointment or contact the office of the Dean of Students to complete a withdrawal form. A resident who is applying for a leave of absence may access the leave form in the Office of the Registrar. Both fillable forms are also found on the web site for the Office of the Registrar: <https://www.meredith.edu/registrar/official-forms/> and can be emailed to the Office of the Dean of Students (withdrawal form to deanofstudents@meredith.edu) or the Office of the Registrar (leave of absence form to registrar@meredith.edu).

A student not planning to return to school following the semester break must remove all belongings from the residence hall before leaving for break. A resident who decides not to return to school for the spring semester must remove all belongings from the residence hall prior to the date residents return to campus.

A resident who withdraws or takes a leave of absence from the college must move out within 48 hours or, if extenuating circumstances exist, should discuss with the dean of students or director of residence life a reasonable timeline for move out. A student who has been involuntarily removed or withdrawn from the College should follow instructions from a College official about the timeline for move out.

Keys

Room keys cannot be loaned to another individual (friend, parent) for use at any time. Only the resident may possess and use the key to her room. Keys are not to be duplicated and are to be returned when the room is vacated. Lost keys are to be reported immediately to the Office of Residence Life with a request for a lock change.

A charge will be assessed for a lock replacement and new key. The charge for a loaner key is \$15. The charge for a new lock and two new keys is \$60.

Responsibility for Damage

Residents are held responsible for damage to residence hall buildings or furniture and will be charged cleaning and damage fees when they have caused damage to their own rooms or common areas.

The cost of repairs for damage to campus areas will be shared by the students responsible or, if no one takes responsibility for the damage, all resident students served by the damaged common area may be fined.

Damage Fee Examples

Improper Checkout Fee (student did not complete all components of the checkout process as relayed by residence life staff)	\$50
Cleaning Fee (student did not adequately clean residential space per checkout instructions)	Minimum of \$50
Abandoned Property Fee (student left personal items behind that had to be removed by college staff)	\$50 per bag
Lost Key Fee (student lost key and lock has to be replaced)	\$60

Lock-outs

Students should keep their doors locked and carry their keys at all times. If a resident is locked out of their on-campus room, the resident should contact the following staff depending upon the time of day:

- Monday – Friday from 8 a.m. – 5 p.m. Any resident who is locked out of their room or apartment should go to the Office of the Dean of Students, 2nd floor Park Center, to obtain a loaner key. The loaner key should be returned to the Dean of Students Office as soon as possible within business hours. out of their apartment or room should call 919-780-0547 to reach a Residence Life staff member. They will provide assistance and unlock the resident's door to reduce the touch points of loaning and returning a key.

- 5 p.m. – 11 p.m. Contact the RA on duty for assistance. If necessary, the CA will inform the RD on Duty that a student is locked out of their room and needs access. Monday – Friday from 5 p.m. – 11 p.m.
- 8 a.m.-11 pm, on weekends, and when the campus is closed: Contact Campus Police at 919-760-8888. Contact the RA on duty for assistance.
- 11 pm to 8 am and when the campus is closed: Contact Campus Police at 919-760-8888.

RA1 - Brewer, Stringfield, & Vann	(919) 214-8985
RA2 - Heilman, Poteat, & Faircloth	(984) 242-9278

A \$15 fine will be added to the resident’s account for each after-hours lockout including unlocking bathroom doors. A resident will be required to show their Meredith CamCard before the door will be unlocked. At the time of entry, the resident will need to locate and display her key. For repeat lockouts a resident can be charged a higher fine. A student will be required to show their Meredith CamCard before the door will be unlocked. For repeat lock-outs a student may be charged a higher fine.

Residence Hall Closings Over Breaks

Residents are permitted to stay in the residence halls during Fall Break, Spring Break, and Easter break. During these breaks, Campus Dining (BeeHive, Belk Dining Hall, and the Library POD) are closed while the residence halls remain open. Residence halls will be closed for winter break during the time between fall and spring semesters meaning residents are unable to access their rooms. For safety purposes:

- Residents who do not stay on campus during breaks other than the winter break are encouraged to unplug their room belongings in case of severe weather or electrical surges. The college is not responsible for damages for items left plugged in during a campus break.
- For assistance during winter break during which the halls are available, contact the RD on Duty at 919-612-6350 or Campus Police at 919-760-8888.
- Campus Dining Service is not available during any College break. Students who remain on campus for campus breaks may access food items at the Daisy Trade.

Residence Hall Closings Over Winter Break

All residential spaces except The Oaks are closed over winter break. Students who do not reside in The Oaks will be assigned a temporary space in The Oaks (if available) if they need to stay on campus over winter break based upon extenuating circumstances and by the approval of the Director of Residence Life. Please note that during winter break, Campus Dining (BeeHive, Belk Dining Hall, and the Library POD) are closed. For safety purposes:

- Residence hall staff will check rooms to ensure that everything is turned off and the doors are locked at the beginning of winter break.
- For assistance during winter break, contact Campus Police at 919-760-8888.
- The Residence Director on Duty and the RA on Duty are not available during winter break.

As space is limited, only students with extenuating needs will be allowed to stay on campus over winter break. Instructions on seeking accommodations for winter break will be provided by residence life staff during the fall semester.

Housing Assignments

The College reserves the right to move a student to a different room at any time if a reassignment is deemed appropriate by the director of residence life and/or the dean of students. For example, to conserve resources it may be necessary to consolidate housing assignments to one floor instead of having multiple empty spaces on two floors.

While it is ideal for a student to be given notice before another student is assigned to a residence hall room or Oaks apartment, this is not always possible if there is a compressed time frame, such as right before a new semester begins.

Roommate Communication

Students who have issues or concerns with roommates or suitemates are strongly encouraged to discuss these in a civil and respectful manner. Use these tips for productive and constructive communication:

1. Listen to understand.
2. Be aware of your own biases and assumptions.
3. Speak from your own unique experience.
4. Use “I” Statements.
5. Talk about ideas, not people.
6. Words matter; be careful how you use them!

Residence Life staff is also available to assist with roommate and suite mediations.

Room Changes

If warranted, residence directors are available to assist students with room change requests. Residents requesting a room change are required to meet with their RD to discuss their request and options for changing rooms.

Students may move from one room to another with permission from their RD or the RD of the building requested. Students who are approved may change rooms without charge. Room changes may be requested starting the 10th class day of each semester.

In order to make a room change:

1. Meet with residence life staff to discuss your request and to obtain a Room Change Form.
2. Once approved for a room change, complete and secure the signatures of all involved.
3. Move from your former room to your future room.
4. Follow the proper Check-In/Check-Out procedures as outlined earlier in this section and either meet with an RA or do Express Check-Out.
5. Return the former room key to RD within 48 hours of receiving the new key.
6. A resident who moves and does not turn in her old room key within 48 hours will be billed \$60 for a lock change and new keys.

Follow check-out procedures for the old room and check-in procedures for the new room.

Residents who do not follow proper room change procedures will be charged \$50 for an improper check-out.

Private Rooms

Residents can rent a double room as a private room for an additional fee of \$850 per semester. Private rooms are granted as space allows.

A student may move into an unoccupied room if the private room fee is paid, which is an additional \$850 per semester. The private room option is only available if there is space and with approval of the director of residence life. A room that is not ready for a second roommate to move into can result in a \$50 fine.

If one student occupies a double occupancy room, that individual has the following options:

- move to another room with another student
- have another student move in with that individual
- pay the private room fee so that a roommate will not be assigned
- be randomly assigned a roommate at any time a space is needed

The College reserves the right to consolidate rooms when needed.

Vacancies

When a vacancy occurs in a double occupancy room and space allows, the Office of Residence Life has the right to assign a new roommate at any time. A student who lives in a double room with a vacancy must keep her room available to receive a roommate at any time by leaving one dresser, desk, bed, and closet empty. While the Office of Residence Life will strive to provide notice before assigning a student to a vacant room/space, it is not always possible to give advance notice, especially before the start of a semester. A room that is not ready for a second roommate to move into can result in a \$50 fine to the resident.

Insurance Claims

The College is not responsible for the loss or damage of personal property in the residence halls. In most cases, a student's personal property is covered under their family's homeowner's insurance. When this coverage does not apply, students should secure insurance coverage under a renter's policy.

Residence Life Policies

Note: Any modifications to residence life policies are communicated by residence life staff and through Meredith email.

Honor Council

The Honor System is a long-cherished tradition and a basis for all life at Meredith. It is essential that each student commit to abide by and uphold Meredith's Honor Code and system of self-government. A student violating college policies included in the "Residence Life Guide to Community Living" or the Student Handbook will be obligated to report herself to the solicitor general of the Honor Council. See detailed information about the Honor Council on the Honor System page.

Ignorance of a rule or regulation shall not be accepted as a defense by the Honor Council as every student is responsible for understanding the Honor Code.

Residence Hearings Committee

The Residence Hearings Committee is a branch of the Honor System. The solicitor general assigns hearings to the Residence Hearings Committee. Students appealing a residence hall fine should contact the clerk of the Residence Hearings Committee. See detailed information about the Residence Hearings Committee in the [Honor System section of the Student Handbook](#).

Alcohol and Other Drugs

The College strongly discourages illegal and irresponsible use of alcoholic beverages by Meredith students. North Carolina State law prohibits the use or possession of alcoholic beverages for persons who are under twenty-one years of age.

- The possession and/or consumption of alcoholic beverages on campus or in any College building by students or their guests is prohibited except by those of legal age in individual rooms in residence halls, in The Oaks on-campus apartments, and in the Moore House.
- Any amount of alcohol possessed or consumed by persons under the age of twenty-one shall be considered "possession."
- Providing alcohol to any person who is under the age of twenty-one is illegal.
- Memento bottles are permitted for those who are at least 21 years of age and reside in residence halls, The Oaks, or the Moore House on-campus. Memento bottles are containers that have previously contained alcohol.

- A student may not attend class while under the influence of alcohol.
- Open containers of alcohol are not permitted in any common or community area including parlors, hallways, breezeways, the Courtyard, and outdoor areas.
- Kegs of any volume of alcohol are not allowed in the Residence Halls, The Oaks on-campus apartments, or the Moore House
- Residents who are 21 years of age or older may consume alcohol inside individual residence hall rooms in residence halls, individual apartments in The Oaks on-campus apartments and the Moore House. As the resident you are responsible for:
 - NOT providing/ selling/enabling access to alcohol to underage students and guests
 - NOT permitting your ID to be used by others
 - NOT driving any vehicle (including bikes or electric scooters) while impaired
 - NOT consuming alcohol in public areas of the residence halls or The Oaks on-campus apartments (parlors, hallways, breezeways, stairwells, the back patio, the Courtyard, surrounding areas, etc.).
- The Residence life staff can require residents and guests to provide a valid photo identification in addition to a Meredith issued identification.

Inappropriate or illegal behavior related to alcohol use will result in disciplinary action. Meredith students are expected to represent the College with dignity at all times. Students who choose to possess and consume alcohol are encouraged to do so responsibly and not in a manner that would disrupt the living community or endanger themselves or others. Misuse of alcohol will not be tolerated. Misuse shall include but is not limited to:

- Compromising personal health and safety
- Endangering or damaging the reputation of the College
- Infringing upon the rights of others
- Disrupting the life of the community (e.g., public intoxication)
- Possessing or consuming alcohol under the age of 21
- Aiding and abetting a minor in the consumption or possession of alcohol
- Use of fake ID
- Alcohol abuse

Students shall not possess or consume intoxicants at any College-sponsored functions sponsored by Meredith students or any Meredith student organization. Students participating in any Meredith or Meredith-affiliated study abroad program are expected to follow the laws of the host country and host institution during any study abroad program.

Meredith believes it essential to the well-being of students to make every effort to maintain a campus environment free of such influences as illegal drugs. In view of this belief, the Board of Trustees has articulated the following policy related to illegal drugs. The policy simply stated is as follows: Meredith College students shall not illegally manufacture, possess, sell or deliver a controlled substance or counterfeit controlled substance or possess drug paraphernalia. Paraphernalia, as defined by the [North Carolina General Statutes](#), shall be considered

possession of a drug. The abuse or misuse of any prescription drug by any student also is prohibited. Abuse and misuse of prescription drugs includes taking medication in ways other than prescribed, and/or providing or selling prescription drugs. The terms “controlled substance” and “counterfeit controlled substance” shall be defined in accordance with the definitions set out in the [North Carolina General Statutes](#).

Any student suspected of a violation of this policy is subject to a hearing by the Meredith College Honor Council. If found responsible, the student will receive sanctions – both punitive and educational. Depending upon the nature and severity of the violation, punitive sanctions may range from probation to suspension, delay of graduation, or expulsion. In addition to a punitive sanction, appropriate educational and counseling sanctions will be levied. The violator may also be subject to North Carolina law. Drivers deemed by campus police to be impaired will not be allowed to operate vehicles on campus. The threshold of impairment is very low (any alcohol or controlled substance previously consumed remaining in the body) for persons under the age of twenty-one. Campus Police will send a report to the Dean of Students in the case of any student deemed to be driving while impaired. In the case of a resident student deemed to be driving while impaired, an immediate report will be made to the residence director on duty or the apartment manager.

Medical Amnesty

Student health and safety are of primary importance to the Meredith College community. The essence of the Medical Amnesty policy is that each individual has an ethical responsibility to help those in need. The Medical Amnesty policy encourages students to seek or request immediate medical assistance for themselves or others when there is concern about extreme intoxication, alcohol poisoning and/or sexual misconduct that threatens a student’s health and safety. When a student requests medical assistance (for 13 herself or another student) because she or another student has consumed too much alcohol, or is at risk of being a victim of sexual misconduct, neither student will be subject to Honor Council action for the consumption. This policy does not preclude Honor Council actions regarding other violations of College policies and does not protect the intoxicated students from actions taken by local, state, or federal authorities.

When seeking immediate medical attention, contact 911 (or 9-911 from a campus phone), then call Campus Police at 919-760-8888 (or ext. 8888 from campus phone). First responders will assess the need for next steps in medical attention, treatment, or hospitalization.

Noise

Individuals shall use discretion where and when noise is concerned both in and around the premises. Courtesy hours are always in effect, and both residents and guests shall be considerate of others’ rights to study and sleep, especially between the hours of 10:00 p.m. and 10:00 a.m. Sunday – Thursday 12:00 midnight to 10:00 a.m. Friday - Saturday. Excessive noise or large parties are not acceptable. Residents in violation of courtesy and quiet hours may be fined \$15 for the first offense and \$25 for a second offense.

Parking

Residents must have a parking decal in order to park on the premises. An apartment parking decal may be obtained through Campus Police. The cost is \$200.00. The parking decal should be displayed at all times while the vehicle is parked on campus.

Animals and Pets

Service Animals

Service Animals are highly trained to perform specific tasks that create equal access to the College for individuals with disabilities. Service Animals are allowed everywhere the student goes on campus. While not required, students with Service Animals are invited to contact staff in Disability Services so the Disability Services staff can facilitate appropriate accommodations and promote a smooth transition for the student and Service Animal. Refer to the Meredith College Service Animal Policy (<https://bit.ly/MC-SA-Policy>) for more information.

Emotional Support Animals

Emotional Support Animals (ESAs) are not required to have formal training and provide passive support to individuals with disabilities. Approved ESAs are only allowed in students' assigned residence rooms and prohibited from all other College facilities. ESAs are not allowed on campus unless they have been authorized through the ESA approval process. Students requesting an ESA accommodation must contact Meredith College Disability Services, submit documentation of the disability, and follow the established procedures for ESA requests. Learn more by referring to the Meredith College ESA Policy (http://bit.ly/MC_ESA_Policy).

ESAs may not be brought to campus prior to official approval/authorization by Disability Services. Unapproved/unauthorized ESAs in on-campus housing will result in a \$100/day fine and referral to the Director of Residence Life, Residence Hearing Committee (RHC), and/or the Office of the Dean of Students. Even if the individual with a disability establishes necessity for an ESA and it is allowed in a student's on-campus housing room under the Fair Housing Act (FHA), the ESA is **not** permitted in other areas of the College (e.g. parlors, common areas in residence halls, dining facilities, libraries, academic buildings, athletic buildings and facilities, classrooms, labs, offices, etc.).

The College reserves the right to order removal of any Service Animal or ESA if (1) the animal creates an unmanageable disturbance or interference with the college community, (2) the animal poses a direct threat to the health or safety of others or causes substantial property damage, or (3) the animal's presence results in a fundamental alteration of a College program. For more information, refer to the [Meredith College Emotional Support Animal Policy and Agreement](#).

Pets

Residence hall residents are not permitted to house, host or otherwise have a pet (besides fish) in their room including pet-sitting for family members or pay. This includes pet sitting approved

ESAs on campus. Any unauthorized animal will result in a \$100 fee per day. For questions about emotional support animals and service animals, refer to this [link](#).

Resident students are permitted to have fish as pets in a maximum 10-gallon tank. Dimensions cannot exceed 20" x 11" x 12". One tank/aquarium is permitted per bedroom. Tanks are required to be housed in an individual bedroom. Resident will be responsible for any charges incurred from pet damages, cleaning or replacement of furniture/carpet.

Visiting pets must remain outside with their owners.

Smoking Policy

All residence halls at Meredith College are smoke-free environments including balconies and breezeways. Individuals who smoke or vape must do so outside in designated areas, which are outlined in the [College Policies](#) section of the *Student Handbook*. If an individual is found to be smoking inside (including e-cigarettes and vaporizing), the action will result in the resident being referred to the Residents Hearings Committee for disciplinary action. See College Policies for more information on the smoking policy.

Babysitting Policy

For health and safety reasons, babysitting is not permitted on campus regardless of the age of the child. The residence halls and apartments are not appropriate communities for young children, especially infants, and includes children in the MAP program and the Ellen Brewer House.

Bicycle Policy

Bicycles are to be registered with campus police and registration is free. Bicycles are to be stored in the bike racks outside the residence halls or campus apartments unless they can be disassembled and stored in the student's room in such a way as not to create a fire hazard or infringe on a roommate's space. The penalty for violation of this policy is a \$15 fine. Bicycles that appear to be abandoned may be subject to removal by Campus Police.

Married Students

Married students who meet the residence requirements may live in the Meredith residence halls under the following conditions:

- No dependents or spouse of a resident may reside in campus housing.
- On-campus housing for a married student must be approved by the director of residence life.
- All student government regulations apply to married students according to their academic classification.

Safety Restrictions

Missing Student Notification Policy

Meredith College takes student safety very seriously. If a member of the College community has reason to believe that a Meredith student who resides in on-campus housing is missing, immediately notify Meredith College Campus Police at 919-760-8888. Campus Police, in conjunction with College Programs staff (residence life staff, Dean of Students, etc.), will initiate an investigation which will include the following:

- Conduct a welfare check in the student's on-campus residence.
- Attempt to contact the missing student via their phone numbers on file in the Office of Residence Life and/or the Office of the Registrar.
- Call or speak in person with known contacts such as roommate, suitemates, apartment mates, and friends.
- Contact student employer, if known.
- Contact the student's professors to gather information about the student's recent class attendance.
- If the student has a vehicle, Campus Police will attempt to locate the vehicle on campus.

In the event a student under 18 years of age and not emancipated, Meredith College must notify a custodial parent or guardian within 24 hours of the determination that the student is missing, in addition to notifying any additional contact person designated by the student. For all missing students, Meredith College will notify the local law enforcement agency within 24 hours of the determination that the student is missing, unless the local law enforcement agency was the entity that made the determination that the student is missing.

If the student cannot be located after reasonable efforts, the Dean of Students or the Chief of Campus Police will then contact the student's missing person contact no later than 24 hours after the student has been determined to be missing. If a confidential missing person contact has been listed by the student and the student is over the age of 18, that person will be contacted. If the missing student is under the age of 18 and is not an emancipated individual, the Dean of Students or the Chief of Campus Police will notify the student's parents or legal guardians, in addition to notifying any additional contact person designated by the student. If the investigation indicates that a student is missing, Campus Police will file a Missing Person's Report with the Raleigh Police Department.

In addition to registering an emergency contact with the Office of Residence Life, students residing in on-campus housing have the option to identify confidentially an individual to be contacted by Meredith College in the event the student is determined to be missing for more than 24 hours. If a student has identified such an individual, the College will notify that person

no later than 24 hours after the student is determined to be missing. Students who wish to identify a confidential contact may do so through adding the name and contact information on the emergency contact form completed by the student when moving into the on-campus residence, or by contacting the Office of Residence Life at 919-760- 8633. A student's confidential contact information will be registered confidentially and this information will be accessible only by authorized campus officials and law enforcement and that it may not be disclosed outside of a missing person investigation as appropriate.

Regardless of whether the student has identified a contact person, is above the age of 18, or is an emancipated minor, Meredith College will inform the Raleigh Police Department that the student is missing within 24 hours.
